Subject: Correction to Previous Email - Extension of Comment Periods for Merrimack Station (NH0001465)
[ExtensionMerrimackStation2014.docx.doc](#)

NOTE : Please do not respond to this email. Comments should be sent directly to the permit writer.

This notice will appear on EPA's website by the close-of-business on May 23, 2014. Also the notice will appear in the Concord Monitor on May 23, 2014.

Pursuant to 40 CFR Section 124.10, the initial public comment period for the Revised Draft Permit for Merrimack Station is hereby extended an additional 60 days from June 17, 2014 to August 18, 2014. All persons, including applicants, who believe any condition of the Revised Draft Permit is inappropriate, must raise all issues and submit all available arguments and all supporting material for their arguments in full by **August 18, 2014**, to the address listed below. In addition, Region 1 is extending the **additional 35-day comment period by 30 more days during which any interested person may file a written response to the material filed by any other person**. This additional comment period begins **August 18, 2014 and ends October 22, 2014**. Public comments will be added to the Administrative Record in a timely manner to allow for review and response during the additional 65-day period. In reaching a final decision on the Revised Draft Permit, the Regional Administrator will respond to all significant comments and make these responses available to the public at EPA's Boston office.

Please see the attached file.
